Bread Care Tips

If Serving within 24 Hours

Keep in paper bag at room temperature (plastic bags soften the crust). After slicing, keep the sliced side down on the board.

If Serving after 24 Hours

Keep in plastic bag at room temperature. Remove from plastic bag and warm in oven at 325° for 10 minutes. The crust will regain its crisp texture. Sliced bread can be stored at room temperature for up to three days. If not using the entire loaf within three days, freeze (for up to two months) a portion on the day of purchase in an airtight plastic bag. Thaw in unopened plastic bag at room temperature so it can reabsorb moisture. To speed up thawing, microwave loaf for up to two minutes on low.
